THERSETTA KNIGHTS HOCKEY PROGRAM

STRIVING FOR EXCELLENCE ON
AND OFF THE ICE

Our Program

The Theresetta Knights Hockey Program provides student-athletes with a combination of high-end academics and sports training from grades 4-9. The program at Theresetta offers students a variety of on and off ice training sessions. On ice training sessions include hockey fundamentals such as skating, puck-handling, checking, passing, and tactics. Hockey specific off ice sessions include systems and strategies, team building, cross training, weight training, floor hockey, mental training, and character development. Student-athletes benefit from participating in terms of learning to be responsible, organized, and committed to an education that is both academic and athletic.

Our Mission

The mission of the Theresetta Knights Hockey Program is to provide a holistic faith based environment where our student-athletes can excel in academics and athletics to achieve above average standards. Our student-athletes will have the opportunity to pursue their potential and improve and develop their skills.
