### 5. Items brought forward

- a. Grant Application: Blueprints for the outdoor classroom are signed and stamped from the engineer and construction will hopefully start soon. Miss Hepp also applied for a grant from Atco for sustainable energy which was not approved.
- b. Vandalism on Busses: Miss. Hepp is pricing a camera.
- c. Surveys: ongoing

- d. High School/Outreach: ongoing
- e. New Volunteer Requirements: Division is looking at a more cost effective option for drivers abstracts.

#### 6. New Business

- a. Awards Night: the staff are planning to change this long night to a more meaningful event. Hoping to do a K-6 evening or afternoon in June and have 7-9 awards with Grade 9 Farewell with parents being notified that their child is receiving an award.
- b. Parent Teacher Interviews: November 19th. There will be no report card going out before so parents are encouraged to check Power School. The Scholastic Book Fair will also be going on again during PTIs.
- c. School Stationary: Jenna brought up the idea of having the school buy supplies in bulk to avoid parents having to buy many expensive items and allow teachers to have exactly what they want. Parents would have an estimated flat rate of \$20-\$40/child which should be a good compromise. We thought maybe just K-4 students and maybe just certain items. After discussion we tabled for next meeting with Miss. Hepp bringing some numbers.

7. Date of next meeting: Nov 16, 2026 at 3:15 pm in the library.

8. Adjournment: 3:50 pm
